Reference: Year End Report (7/1/01-12/31/01)

Dear Mrs. Kelley:

Reference is made to our letter dated January 29, 2002 where we explain our technical problems with the conversion of FEC File 3 information to FEC File 4. Notwithstanding our continuous efforts to communicate with FEC technical support, the staff has still not been able to answer our calls for guidance.

As a result, we are including a "hard-copy" of the Year End Report (7/01/2001 - 12/31/2001) and an amendment for the April 15 Quarterly Report (01/01/2001 - 6/30/2001) for submittal. Once again we reiterate that we are aware that this filing does not comply with the current federal regulations. Nevertheless, we ask you to accept it as a temporary filing until our technical programming difficulties are resolved.

Please excuse any inconvenience this may have caused you.

Cordially yours,

Luis M. Correa Márquez
Treasurer
